

Criteria for Weekly Art Prompts

As we come closer to the final few weeks of the school year, it is time to show your learning from projects throughout each term.

Each week, I will post a new prompt.

- You may interpret the prompt in any way. Because of this freedom, I will not accept substitutions for subject matter. The interpretations are a part of your grade.
- You may choose your media.
- New prompts will be posted each week, on Wednesday, and be due exactly one week later. Posting dates are:
 - o **May 20, 2020**
 - o **May 27, 2020**
 - o **June 3, 2020**
- HINT: All skills covered over the year should be considered. For example, if you are using pencil, think of composition as well as shading techniques and value.

AS EVER: DO NOT COPY DIRECTLY FROM THE INTERNET. COPYING OTHERS ARTISTS IS CONSIDERED A FORM OF PLAGIARISM AND WILL RESULT IN AN AUTOMATIC FAIL ON THIS ASSIGNMENT.
